## **AscendTMS Acquires LoadPilot TMS**

### **AscendTMS Continues Its Rapid Expansion By Acquiring A Two-Decade Leader In Freight Brokerage And Freight Agent TMS Software.**

**BRANDON, FL, February 20, 2026.** InMotion Global, Inc., the developer of AscendTMS, the world's most widely used and best reviewed Transportation Management System (TMS) software, announced today the acquisition of LoadPilot TMS, a leader in freight brokerage and freight agent TMS software for over 20 years.

The move ensures that LoadPilot's nationwide network of long-standing freight brokerage and freight agent customers, built over two decades, have a modern and proven path forward as the freight industry moves into an age of full digitization and artificial intelligence.

Tim Higham, CEO of InMotion Global, said: "LoadPilot has been a respected name in this industry for over 20 years, and we are honored to be entrusted with their legacy. We will provide their loyal customers with a 'forever home' that offers them the modern digital tools they need to stay competitive in today's fast changing freight environment. They'll see zero downtime, and receive the top-tier digital and AI-centric TMS technology that they deserve, so we can protect LoadPilot's legacy for the next 20 years."

LoadPilot customers migrating to AscendTMS will receive an industry-leading transition package, including:

- Immediate access to AscendTMS PRO, with 30-days totally free with so they can transition smoothly.
- White-glove onboarding with free training and free support (forever).
- Thousands of advanced AscendTMS PRO features, including hundreds of plug and play integrations, free real-time load tracking, automated accounting tools, their free Easy AI toolset, the latest Cross-Border Freight Kit, and much more (see: <https://www.thefreetms.com/features-and-benefits>)

Rusty Pile, founder and CEO of LoadPilot TMS said: "We wanted to ensure that our legacy of stellar customer service and providing first-class freight software would be

preserved. By joining forces with AscendTMS, our customers are moving to the #1 rated system in the market. AscendTMS are trusted, profitable, debt free, and stable. Tim and his team are the perfect match to help our customers grow and profit in this new age of digital and AI powered freight movement.”

The transition from LoadPilot TMS to AscendTMS begins immediately.

LoadPilot customers can migrate their accounts from LoadPilot TMS to AscendTMS by visiting <https://www.ascendtms.com/signup> and entering the code “**LoadPilot**”.
